Actually, does anyone remember Sam the Bird

hydrafalling2

That scissor-tailed flycatcher (just guessing on species here) that's on the inside flap of EP, he was the king of the forums and he shoULD STILL BE.

It's the hydra fellow

crimsonheatwave42

I remember him
but I don't think he should be king

Bow before Sam, who is more than half the king/queen any of us would be.

I think someone wrote a story about him, too.

4

SNAPPLE

the risk i took was calculated,
but man,
am i bad at math

Noface was somebody's OC (Icewings106, I believe), who was created because Ice noticed there was a misprint on the cover of their copy of The Dark Secret, where one of the background NightWings didn't have a head despite it showing up on digital versions of the cover.
